

TITLE INDEX, 1989, VOLUME 80

- Acid Haze Air Pollution and Breast and Colon Cancer Mortality in 20 Canadian Cities, 96.
- Acute Rheumatic Fever — No Epidemic in Ontario (Short Report), 71.
- Age, Period and Cohort Effects on Suicide: A Reply (Rejoinder), 149.
- AIDS: The Community-based Response (Supplement 1), S18.
- AIDS Education: Evolving Approaches (Supplement 1), S9.
- AIDS at the Federal Level — A Personal Reflection (Supplement 1), S12.
- AIDS the Teacher: What Have We Learned in Canada? (Supplement 1), S3.
- The Application of Morbidity Data in the Massachusetts Statewide Childhood Injury Prevention Program, 433.
- Appraisal of the Epidemiology of Fetal Alcohol Syndrome Among Canadian Native Peoples, 42.
- Assessment of Ontario's Geriatric Preventive Dentistry Program, 136.
- The Association Between Self-assessed Health Status and Individual Health Practices, 32.
- Les biais systématiques dans la mesure de l'utilisation des services médicaux ambulatoires, 58.
- Bicycle Accidents Among Children in the Urban Environment, 351.
- Blood Pressure Screening Clinics: An Opportunity for Health Promotion, 406.
- Breastfeeding in the Mohawk Community of Kahnawake: Revisited and Redefined, 177.
- The Changing Role of Nurses: The Perspective of Medical Services Branch, 92.
- Children's Health and Illness Behaviour: The Single Working Mother's Perspective, 346.
- Comment "vendre" un programme d'échange d'aiguilles (Supplement 1), S29.
- Community Empowerment: The Need for Political Analysis (Editorial), 87.
- Community Health Centre-based Occupational Health Services for the Small Workplace: An Ontario Study of Employer Acceptability, 355.
- Community Health and Foot Health, 331.
- Comparison of Individual Follow-up and Computerized Record Linkage Using the Canadian Mortality Data Base, 54.
- A Comparison of Seasonal Variation in Birthweights Between Rural Zaire and Ontario, 205.
- Components of a Minimum Data Set, 430.
- Conférer le pouvoir aux communautés: la nécessité d'une analyse politique (Editorial), 89.
- Connaissances et attitudes relatives aux MTS chez les étudiants du niveau secondaire de Montréal, 244.
- Control of Headlice: Using Parent Volunteers (Short Report), 461.
- Critical Evaluation of Frame Size Determination in the 1983 Metropolitan Life Weight for Height Tables, 369.
- Decline of Acute Myocardial Infarction Death Rates Not Due to Cause of Death Coding, 418.
- Dental Health Education for Adolescents: Assessing Attitude and Knowledge Following Two Educational Approaches, 339.
- Dental Knowledge and Behaviour in Native Children Living in Northern Saskatchewan (Short Report), 150.
- Déontologie, politique de santé et SIDA (Supplement 1), S31.
- A Descriptive Study of Continuity of Care as an Element in the Process of Ambulatory Medical Care Utilization, 249.
- Desirable Behaviours in the Office Management of Hypertension Addressed Through Continuing Medical Education, 359.
- The Determinants of Health Revisited (Editorial), 235.
- Les déterminants de la santé: un second regard (Editorial), 236.
- Direct Costs of Diabetes Care: A Survey in Ottawa, Ontario 1986, 124.
- Drug Use in British Columbia Adolescents (Short Report), 457.
- L'éducation en matière de SIDA: des approches en évolution (Supplement 1), S10.
- The Effect of a Promotion Campaign on Attitudes of Adolescent Females Towards Breastfeeding, 195.
- Environmental Risk Analysis: A Case Study, 8.
- An Epidemiologic Assessment of Exposure of Children to Polychlorinated Biphenyls (PCBs) in a Toronto Community, 325.
- Epidémiologie de l'infection VIH (Supplement 1), S24.
- Epidemiology of HIV Infection (Supplement 1), S21.
- Eradication of Indigenous Poliomyelitis in Canada: Impact of Immunization Strategies, 363.
- Estimating the Burden of Illness in an Ontario Community with Untreated Drinking Water and Sewage Disposal Problems, 142.
- Estimation of the Incidence of Acute Myocardial Infarction Using Record Linkage: A Feasibility Study in Nova Scotia and Saskatchewan, 412.
- Estimation de l'incidence de la tentative de suicide: Québec, 1981 (Short Report), 381.
- Ethics, Health Policy and AIDS (Supplement 1), S28.
- Evaluation of Bereavement Intervention, 394.
- An Evaluation of Sources of Information on Health and Travel, 20.
- Family Violence: A Community's Health Promotion Response and the Federal Government's New Initiatives (Short Report), 300.
- Health Professionals as Sources of Infant Nutrition Information for Metropolitan Toronto Mothers, 200.
- Health Promotion in Perspective, 400.
- Healthy Cities: The Quebec Experience (Editorial), 5.
- Hearing Loss: Can Knowing What It Costs Society Help Reduce Its Occurrence? (Short Report), 463.
- Historical Employment Records as Data Bases for Occupational Disease Research — A Case Study, 50.
- An Historical Prospective Mortality Study of the Sarnia Division of Dow Chemical Canada Inc., Sarnia, Ontario (1950-1984), 441.
- HIV Infection: Employee Education and Infection Control Measures (Supplement 1), S31.
- Hospital Bed Availability: Developing Accurate Estimates, 105.
- Hospital Liaison Public Health Nurses in Ontario: A Cross-sectional Survey (Short Report), 299.
- How to "Sell" a Needle Exchange Program (Supplement 1), S26.
- Increasing Response Rates in Community Health Surveys Administered by Telephone, 67.
- Increasing the Understanding of Industrial Accidents: An Analysis of Potential Major Injury Records, 423.
- Individual Client Care and Public Health Policy: The Dual Challenges for Public Health Nurses (Editorial), 315.
- Infant Feeding Practices and Socio-demographic Factors in Ottawa-Carleton, 173.
- Infection au VIH: éducation des employés et mesures de contrôle de l'infection (Supplement 1), S34.
- Loi anti-tabac à l'hôpital: perception des travailleurs, 129.
- Measurement of Influenza Vaccination Status of the Elderly by Mailed Questionnaire: Response Rate, Validity and Cost, 271.
- Mortality in Commercial Fishermen of Atlantic Canada, 375.
- The National Breast Screening Study: Pre-recruitment Sources of Awareness in Participants, 221.
- National Childhood Injury Prevention Conference, 427.
- The National Health Research and Development Program: Forty Years of Federal Support for Public Health Research Through the Department of National Health and Welfare, 101.
- A Neglected Disease: Tuberculosis (Short Report), 73.
- Nurses' Preparedness for Health Promotion Through Linkage with Mutual-aid Self-help Groups, 110.
- Obstetrical Ultrasound in Remote Communities: An Approach to Health Program Evaluation, 276.
- Pack Size, Reported Cigarette Smoking Rates, and the Heaviness of Smoking, 266.
- Parent/Child Health: Challenges for the 1990s (Editorial), 163.
- Patterns of Breastfeeding and Work: The Canadian Experience, 182.
- Pelvic Inflammatory Disease: An Unpublished Public Health Problem in Alberta, 447.
- Perception of Cancer Detection and Early Treatment in a Population Participating in the National Breast Screening Study in Canada (Short Report), 226.
- Pesticides and Healthy Public Policy, 238.
- Pharyngitis 1987: A Survey of Physicians' Attitudes and Practices in Southern Alberta, 38.
- Pregnant Adolescents: Expectations vs. Reality (Short Report), 227.
